To serve members of your Family Business, please provide us with their contact information. We will include them in the appropriate Affinity Group and keep them updated on upcoming programs and events.

Our Programs and Affinity Groups include:

Family Business Forums: Family Forums feature esteemed guest speakers from the business community, panel discussions that cover a wide range of topics and networking with other family businesses.

Committees: Members are welcome to join the Membership, Programs, or Generations Committees. Our Committees play an integral role in planning member programs and growing the Family Business Center.

Affinity Groups: Peer networking groups with the purpose of creating dialogue about family business dynamics and best business practices. The meetings provide an opportunity for members to meet with individuals within family businesses with similar interests and concerns to share ideas, trends, and issues unique to family business.

For more information contact Stella Premo, 916-771-3220.
